Writing to Win

I'm amazed at my students' progress - not only in writing, but also in other content areas such as math, FACS, ag and social studies since we have implemented the Writing to Win system.

~ South Dakota Teacher

Writing to Win is a proven system for increasing students' content knowledge, creative thinking and writing skills – effectively closing achievement gaps in every subject. During this training, we'll work through a three-phase system for increasing student learning in all content areas and enhancing student writing skills:

- Phase 1: Journal Strategies (50 participant limit)
- Phase 2: Process Writing (50 participant limit)
- Phase 3: Language Skills and Integration (35 participant limit)

Trainers:

Dr. Warren Combs, founder of the **Writing to Win** system and SD teachers who have successfully implemented **Writing to Win** strategies.
